

Questions to ask your doctor about EMPLICITI

If you, or someone you care for, are considering treatment with EMPLICITI, here are some questions you might want to bring with you to your next doctor's appointment. Remember that your doctor is always the best source of information when it comes to your health.

Marcus L.

- **Are there any studies that suggest EMPLICITI will work for my condition?**
- **What were the results of the study?**
- **How is EMPLICITI different than other treatments?**
- **How is EMPLICITI treatment given?**
- **How does EMPLICITI fit in with other treatments I'm taking?**
- **What other medications will I need to take with EMPLICITI?**
- **Can you tell me more about the EMPLICITI treatment schedule?**
- **How often will I need EMPLICITI, and how long will the infusion take?**
- **How and when will I know if EMPLICITI is working?**
- **What are the potential side effects that I may experience?**
